

# Friends & Family Support Group

## Free 5-Week Series

### Learning the Language of

# VISION

How do families and support networks navigate the new role of supporting a loved one going through vision loss?

- What is expected of you
- How to approach conversations with your loved one about their vision loss, without sounding frightened or pitying
- How to provide encouragement while not knowing what they can or will be able to do as they change from who they were to who they will become

**Zoom Online Meeting**  
**Thursdays (start date TBD)**  
**6 - 7:30 pm**

presented by  
**Susan Hirshfield Ph.D.**  
Adjustment to Vision Loss Therapist

Space is limited, first come first served  
**Call 707.523.3222 to register**
