

# Spousal / Family / Friends Support Group

The Earle Baum Center

Presents a FREE 5-week Series:

## Learning the Language of Vision

*Presented by Susan Hirshfield, Ph.D.,*

*Adjustment to Vision Loss Therapist*

How do families and support networks navigate the new role of supporting a loved one going through vision loss?

- What is expected of you?
- How do you approach conversations with your loved one about their vision loss without sounding like you pity them or are frightened of the future?
- How do you encourage them without knowing what they can or will be able to do in their life as it changes from who they were to whom they will become?

**Date:** Thursday Evenings, March 14 through April 11, 2019

**Time:** 6:00pm to 7:30pm
